I went to Clarendon College with Lee Ann in the early 70s. So glad she arranged a wonderful Dallas weekend several years ago so we could re-connect. What a gracious, thoughtful, kind, brave lady. God's peace be with her family.

Charlie, I remember so well the young Lee Ann who presented at Parkland Hospital to be evaluated for a kidney transplant. She received a kidney and although her road was not always smooth, she was a survivor and as I understood, her kidney was still functioning. She was truly a pioneer in the field of transplantation, paving the way for others to follow. I was blessed to have known her and her courage and determination. You are in my thoughts, Carolyn Atkins Renal Transplant Coordinator
