Virginia and family, So very sorry to hear of T.H. passing. He was definitely an independent person and thinker. He was always a sweetheart to me and always made me smile. I feel your pain and know the suffering you are going thru. I just know that Hayden is now at home, happy, and pain free in the arms of Jesus. May you feel the healing power of his love during this time. Know that you are not alone. You are in my prayers and thoughts. Love to you all -

I am saddened to learn of the passing of another one of my classmates at Claude High School. Hayden was definitely a guy with a mind of his own. He brought laughter to us on many occasions and he was always a gentleman to me. The mention of his name brings a smile to me. May the Lord comfort you, his family, and may he rest forever in God's loving arms.
