Although I never had the pleasure of meeting Mrs. Conatser, I know that she was very special to my daughter, Colleen. She described her as "a very sweet lady" and cherished their relationship. I know she will be deeply missed by everyone. My thoughts and prayers are with your family.

It has been my prayer that your mom would not suffer so long. She means so much to me. I loved her as an Aunt, but she was so inspiring and she was always so good to me, Dynette & Momma. She is one of the most unique people I have had the blessing to know, always looking at the bright side of things even when things didn't look so promising. She was fun too. The world would be a better place with more people like her in it. I loved her, will miss her, and will keep each of you in my prayers at this time. Love, Donna & family
