I have very fond memories of Alice, she always made me laugh even when I knew she was not feeling well, she didn't complain about her illnesses and took them in stride. Alice was a fighter and one of the most strongest of women I know. She took life head on despite whatever obstacles were in front of her and always found an amusing perspective of life regardless of the outcome. I will remember Alice as a wonderful caring and compassionate person. She loved the Lord, her family and friends very much. I will miss our visits greatly and the loss of a wonderful friend. Alice is now free from the pain and suffering that being of flesh and bone can only endure. She is now free and dwells in Heaven in the house of our Lord. Thank you Alice for being a part of my family and touching my life with your love. Love, Glenn and Nancy Taylor

I was a classmate with Alice from first through sixth grades, before moving to California. Most recently, I had seen Alice when she attended my Dad, Clyde Barker's, Visitation at Robertson's on April 20, 2012. Alice was kind and caring, and it meant a lot to me to have her (and Beth) come by and pay their respects, after all these years of not seeing one another. She will be greatly missed. May your sweet memories, and knowing Alice is now safely ushered into her HEAVENLY HOME, bring you comfort during this tough time. With Love and Prayers, Vicki Barker-Estey
