Bobbie always was and always will be one of my favorite ladies. She always was quick with a smile, a story, and a piece of advice. I still treasure the antiques I purchased at Poor Boys, particularly a side table she refinished. She was one of a kind and raised a great family. Our prayers are with all of you. Many blessings. Bobbie was an important part of our lives. We met her at our home at Tucumcari where Eddie was working on the farm for the summer. Bobbie came with Ferrel and Altha when they came to visit Eddie and my Dad and Mom. They were married a few months after that and we loved her as part of our family from that time forward. She will be missed. God bless you all. Jim & Cece

Johnny and family, my sincerest sympathies to you and your family at this time. Your mother was a beautiful lady. I bought a hat from her once and she said she just loved hats and wish people wore them still. We laughed and said we were going to wear our hats and strut down main street and maybe they would come back. She was a beautiful lady and I know ya will miss her terribly.
