Dear family - You are all so special to me & my family. We hold you in our thoughts and prayers during this time. I know that the gold medals I received in solo and ensemble contests were due in part to the incredible pianist who accompanied me - Margie. Her love for music was contagious. Her infectious smile always warmed my heart. I'm sure she has already got St. Peter and others together for a truly "Heavenly Ensemble". Thank you for sharing Margie with us. In Christ, Mark Phillips
