I loved visiting the farm with my family and spending time with Uncle Euil and Aunt Lois. I remember picking green beans with Aunt Lois and the girls and being led around on the horse by Uncle Euil. Uncle Euil was always so quiet and patient. It was obvious that he loved the farm. I will be praying for his children and grandchildren, as I know they will be missing him greatly.

We remember Uncle Euil as a loving and gentle man who always had time for visitors. When I was young, my youngest sister and I visited and Euil took the time to find his only horse and let us ride it. When Kyong and I visited years later, Euil took pride in showing us all around his farm, patiently telling us all about it.

Uncle Euil was always so kind and gracious to all of us. I especially remember how he let some of my grandchildren ride the horse at their house. He was so patient and led each one around their place. He will be missed.
