Dear family of Meagan,I am so sorry for the tragic loss of your loved one. Meagan was so young with most of her life yet to live. Death is such an enemy and is no respecter of age.Experiencing such a loss,,we may wonder why? or if their is anything to look forward to?Jesus well knew the Bible statement:" Time and unforeseen occurrence befall them all"[Ecclesiastes 9:11]. He knew that sometimes bad things just happen.The wonderful future resurrection hope is the promise found at John 5:28,29. Revelation 21:3,4 states that in the future ' death will be no more. and pain will be no more, the former things will have passed away.'Our Creator, Jehovah God, by means of his son Jesus, is going to undo the tragedies that touch our lives today and we will be able to welcome back onto the paradise earth,our loved ones who have fallen asleep in death.sincerely dianne mullins
