Leanne Hornung Of Apache Junction, Az posted:

I was reading some letters that Lee wrote me 20 years ago. We were married from 1990- 1991. We were always very close regardless of distance, which explains why I had this overwhelming urge to find this obituary. I had no idea he had passed (I haven't spoken to him in 4 years.) But I do believe he still communicates with me or I wouldn't have dug out these letters and I wouldn't have found this. I am very sorry to find that Lee has passed. He was an extraordinary man and I will always love him."To love is to bring forth upon the beautiful, both in body and in soul."
