Please know that Miss Jane will be missed by all of us here at HCHD in Spearman. She was very special to me, and I will miss her so much. I will always remember her walking down the halls of the manor, looking straight ahead, and she would raise one hand from her walker, as if she was waving, all the while not looking to the right or to the left! She was a special lady, and thankfully, I will see her again. My prayers are with you.
