At a time in my life when I needed a kind heart Janice was there. That was her soft voice and kind heart approach that made her miles ahead of others as a teacher and later a friend. Strange as it may be the teacher who taught me with such kindness ended up being a friend as I later began working with Billy Ray at Nursing homes. They are both very dear to my heart and will always be a part of my life and thoughts. To a wonderful woman I will miss you and think of you often. To a great man,, thank you for everything and you will always be a part of my life..
