I know your hearts are still mending from the feelings that naturally tug at our hearts when death separate us from our love ones. The sting and the pain make us suddenly realize what our eventuality is as long as satins cruel system exist. Jesus paid the ransom price so that someday soon the sting of death will be a feeling of the past Revelation21:1-6 comforts us with that fact, and yes at that time God will wipe away all our tears!! Right now though we must take comfort knowing from the scriptures we will experience the resurrection of our dead love ones soon!! John 5:28,29.....
