He was such a joy to work with and just be around, so full of life and laughter (and more than a little honery). He worked with us when I asked questions about hypothetical and actual changes that would affect our family currently and in the future. He never lost patience with us and was always ready to help. I so enjoyed working with him. We will miss him so very much. I know how close he was to his family because he was always speaking of his parents and brothers. Please know that he loved and respected you all. We can't begin to say how sorry we are that this happened to all of you. Ernie was a wonderful person and we will miss him.
