Meels, Danielle Of The Netherlands (Europe) posted:

My condolences go out to the whole family but especially to Mr. Clyde Longbine, his wife and children who are very special to me, although I haven't seen them since 1990. I enjoyed the Longbine's hospitality in 1987 when I visited in Estelline with my then best friend Monica. I have very fond memories of that vacation in Estelline and the Longbine family. I found the obituary on the internet as I was looking to find Monica Longbine-Nottingham, since I last heard from her before the war in Iraq started, I've been trying to get in touch with her. I'm at least relieved that she must be ok, since she's not listed otherwise in the obituary. If anyone reads this and knows how I can get in touch with her, I'd be very grateful. Sincerely, Danielle Elst-Meels
