Hello Posey Family, Please accept my condolences. I hope you remember me, Bambi Green, I was a teenager along with Sue at Paramount Terrace Church. I've lived in California since 1966. I had the opportunity to go on line at the Amarillo Globe News, looking for info about the wildfires. Ran onto the obit. for Tom. Wow 92, a long full life. He was such a nice man. Our mom is still with us....age 93 in November. Susie, I've often wondered how you're doing and where you might be living. I'd love to hear from you. We had some fun times didn't we? I said wild horses couldn't make me miss this service and the chance to see my favorite family, but tiny grandsons are more powerful than any horse. I have so many great memories of singing songs upstairs before Sunday School, church camps, Vacation Bible School and Tom is so prominent in all of them. He touched so many lives and has such a great family to carry on his legacy. I love you guys and I am praying for God to heal the hole on your hearts. Donna Blair
