Oretha, James Edward, Timber, and James Lee, James was such a gentleman. I did not know him until we started car pooling to Hobbs but he came into my life serveal times after that. I grew to think a lot of him and to respect him so much. He would come in to see us at Birdsong Peanuts and he always has a smile and something good to say. Words can not express the sorrow we feel for you.We love you so very much.I pray that the father will wrap his arms around you and give you peace in your mind and heart.Love,Cubby & Mary
