Will keep your family in my prayers. I will not forget your mother as my science teacher. She taught us the theory of evolution with the preface "Just because I have to teach it, doesn't mean I believe it!".

So sorry to hear about Aunt Norma--we truly loved her. I enjoyed our visits over the phone the last few years and shared a lot of laughs. She was a sweet lady and will be missed. Our love to all of you. We hope to make it down for the funeral but depends on the weather--if we don't make it know you will be in our thoughts and prayers. Love to all Donna and family
