To the Rampy Family, I mostly knew Lynn through seeing him occasionally at James Owens's boot shop. I always liked him and always enjoyed seeing him and visiting when our paths crossed over the last 40 or so years. I am so sorry for your loss. Evone Holland

Dear Rampy Family, We were neighbors, close friends, and attended the same church with Bill when he lived and worked in the Des Moines area. Tom and Bill worked together on many projects and I drove the bus and was involved with his FFA activities with him. We are very sorry to hear of his death. We had kept in touch with him for awhile after he moved and was working in Las Cruces but had lost touch during the past few years. He was a very caring Christian man who faced many hardships during his life and we know that he now has rest and peace with his Lord. We would like to hear how he has been these past few years if you wish to share that information with us. Our address is 103 Pryor Road, Des Moines, NM 88418. Please know that we also loved and cared about him even though we lost track of him. Again our deepest sympathies. Love in Christ, Tom and Jan Pryor
