Family of Cennet Rhodes We are sorry for your loss. Cennet was truly one the most wonderful people we knew. Her caring and compassion will be dearly missed. She was so good to our Jordan and she was one of his favorite ladies in Clarendon. I will never forget all the times she would give him hugs downtown or at the post office. Clarendon has lost a treasure. Joel and Judy Zehr

We late but at least found the funaral announcement. She was like a mother to me especially but my sisters too. Dusty and my father are haunting friends ages ago on Taurus maintains. We were everywhere they were since about to 60 years. Cennet (Heaven in Turkish) was a sweet hearth. Do you remember the Smentha the squirrel? She baked cakes for all. Open door for anyone. Supported me successfully. Were in Wegas Keno playing. Anyone wish to know about us, refer to LINKEDIN or XINGMEHMET.GOEKSALTIK@OUTLOOK.DE+49 176 311 96 437

Cennett was a very sweet lady. I have a lot of memories of her. I'll never forget taking Cennett, and Mattie Roberts to Turkey to see Ray Price...my gosh you would have thought you had two teenagers in the back seat, they were so awestruck, and just giggled and laughhed all the way up and back and never quit talking:) She will surely be missed.

Cennet was one of the first people I met in Clarendon when I moved there in 2004. She was so friendly and loving. My work office was on her way down town and she would stop and say hello and give me a hug. I enjoyed Cennet and have truly missed her. She was a very special person.
