Dear Aunt T.G. When I think of Daisy, I think of sweetness, smiles, and S.O.K. cookies. She had such a sweet spirit that clearly reflected her love for Jesus. Now she is celebrating with Him and your dad. We are praying for God's strength, comfort and His overwhelming presence in your life as you walk through this time. We love you so much, Suzanne and Jason Skaer

Toni, I'll never, ever forget all the fun times when we were all younger. I'm very sorry to hear that Mom Richerson is gone. The world will be a little less bright today, but I know she'll add to the glory of Heaven. May God bless you and comfort you in this time of earthly sorrow with the comfort that one day we'll all be together again. Love always, Randy Ferrell

We deeply miss not being able to come to Shamrock for the service. Please know that our hearts and prayers are with you. Daisy was a blessing to us every time we were able to see her. Her loving smiles, contagious laughter, never-ending words of encouragement and, of course, delicious ham always warmed our spirits. Thank you for sharing her with us, Toni.

Toni Gail, my best childhood memories of Shamrock include your mom. She hosted the best parties for the Brownie Scouts, (she put apples in her tuna salad), and was a wonderful Rainbow Girl Mother Advisor. One time she drove us to San Antonio for a meeting and she really knew how to have fun! Your precious mom treated all of us little girls like we were special to her. My prayers are with you during this time. Sallie

Toni Gail, I'm so sorry for your great loss. There are so many words to describe Daisy. She was always so regal and dignified and then would say something to totally crack me up! She has always been such a great friend to my mom and she will be missed greatly. God bless you.

Toni - we all loved Eva Mae and I have so many memories, starting with the Easter egg decorating and hunts. Then there are the Brownie day camps, Girl Scout camp and those tennis shoes! And so many Sundays at church, and happy times at your house. We also love your parents for bringing us Bunny. It's very hard to lose our parents, but I'm grateful for all they did for us growing up and all the memories that we have in common. Sorry we're not there today. Love, Lajuanna, Ken, & Kevin
