So sorry to hear of Patrick's passing. I always remembered him as a good hearted fellow, friendly, approachable, and always willing to help. And a Pilot to Boot!! In recalling our own Dad's passing & services, it was a consistent opinion throughout the family that the Robertson's clan, especially Patrick were there for us.... The amount of comfort provided by the Robertson family to our family during that difficult time will always be remembered... Thanks, Charlie Deyhle

My family especially appreciates him for giving our family comfort and kind words while we dealt with the of our dear Mother last year. The last time I spoke with him, he was quick to remember the day of her passing which speaks volumes about the kind of person he was considering all he was dealing with. Truly a man among men and one who never failed to make everyone he addressed feel special. He will be sorely missed in this world and openly welcomed by all in heaven.

Days like today are hard when you loose someone who considers you as his own son, is near and dear to you, and who has impacted your life. Words cannot express how much I loved Patrick. Donley County has lost one of its best citizens and its best funeral director. You were one of the greatest friends I have ever had. You were such an inspiration to me. You touched the lives of many people and certainly touched mine. I have lots of wonderful memories with you. One unique thing that you, Chuck, my brother, Tyler, and I all share is that we are all Eagle Scouts of Troop 433 in Clarendon under Tommie Saye. I will forever cherish the memories of the many Saturday night dinners with you and Vicky at the Red River Steakhouse in McLean, the visits at the funeral home, and the late night conversations over the phone. Thank you for attending my high school graduation, graduation party and thank you for the picture blanket. Thank you for your years of friendship and professional service to my family. They'll never be another Patrick Robertson. The entire Robertson family will always have a special place in my heart.
