I worked with Doris sometime in the 1980's at the nursing home. She was so good to help me. I only have good memories of Doris. Got up Tuesday morning with Doris on my mind. I had heard that she was not well. All of her family has my deepest sympathies, Linda Farley

I met Doris by taking her to dialysis. I had the pleasure of driving her to Childress for her treatments and also to Amarillo for Dr.s appointments. During these trips I got to know her and thought alot of her. I will truly miss her wit and personality. To Doris' family my deepest condolences go to you.
