My Sister, Mary E. Tucker Stovall and Anita Ann Tucker Poole were blessed to have our brother always around to watch out for us.....But, it was not just his sisters, cousins, parents it was also animals that were trapped. When 1916 Fillmore was having the street redone to widen a wondering dog fell into the 10 foot space. When Clifton saw this frightened animal traped he got dad's large ladder and climbed down into the open road ditch and fed the dog, and gave him water, which calmed the frightened animal and then, allowed him to carry the neighbors dog up and out of the deep ditch, just as the workers on the road way of 1916 Fillmore Street work began a new day. Everyone in our neighbor hood was so thankful for the attention Clifton gave to a very frightened pet. I am going to miss this amazing and dear brother. My only brother and he was a wonderful Christian Young Man always looking to the Lord for help to help others. Thank you Lord, I will forever miss this amazing and only brother me and my sister had. Our Beloved wonderful and thoughtful brother. Thank you Lord for the way he always handled thinks when people needed help. God Bless you my dear father for your help. Praise Be To Our Lord and Savior. Anita Ann Tucker Poole....
