I knew Verdia, Edwin and most of their children growing up. I was a classmate of Carolyn's. I have not seen them in years, but I think of them often. My dad, Marion Posey, always had an "Edwinism". Something Edwin had to say over the years they worked together. I hope the family can celebrate the life she led. The mother, grandmother, great-grandmother, sister, aunt and woman she was. The haven't made women like her in a very long time. God Speed Verdia.--Shari Posey Watson
