Mike Huck posted:

I just recently learned of Rays passing and was saddened, I was trying to track down Ray for a possible "Industry Hills" reunion at the golf course superintendents conference in San Antonio this year. Ray and I had been in occasional email contact starting about five or six years ago and he had always responded rather quickly to my messages. When I didn't get a reply after about a weeks time I grew concerned that he was ill or worse. My worst fears were confirmed when I located this obituary online. Ray was a good friend, we worked together, played golf together and had lots of laughs together too. He will be missed by a number of us in the golf industry. Sincerely, Mike Huck

Mike, almost 5 years ago wd lost Ray . I remember him speaking of you and I knew you were good friends; that man loved golf. He was a man above men for me and my soulmate. Thank you for writing this message and forgive me for not finding it sooner. Billie Layland
