Maurice and I have many pleasant memories of times we spent with Floyd and Lorene in California, especially the days we cut and stacked and gathered wood for our fires in the winter. Lorene and I had a great time with our garage sales, but especially the times spent enjoying each other's company. The highlight of our times was, no doubt, the visit in their home in Vernon, when these California "sissies" got to spend a little while in the storm shelter during a tornado alert! Good times with good friends are always pleasant times. God bless you, Lorene, as you adjust to life without your dear husband and friend. Our God, who keeps His promises, will be there to hold you up and give you the comfort you need as will your families. OUR LOVE TO ALL OF YOU!! Maurice and Pat Watkins --- 7409 Windhaven Rd. N. My thoughts and prayers are with all of you. Floyd was an amazing man and I am very thankful to have had him in my life growing up. He was my step-grandfather but always treated me and loved me no differently than his very own. He will be greatly missed.
