Rosalie was our neighbor when I was growing up. She made THE best chicken and dumplings and her chocolate cake was my late little brother's favorite. In fact throughout HS childhood and until she no longer could, she made his birthday cake. He loved it so. She would always bring us trinkets from garage sales, which are now cherished treasures. I was always impressed to hear her play the piano by ear. What a wonderful lady who contributed many wonderful memories from my childhood. Rest in peace, beautiful lady.

Rosalie was our neighbor when I was growing up. She always brought us trinkets which are now antiques and pretty valuable, but not as valuable as her kindness and "rosale's dumplings" she would send over. She also sent cakes. Her chocolate cake was made my late brothers favorite. She made it every year for his birthday from the time he was little and until she couldn't anymore. She was so sweet and precious and will always have a special place in my heart. Rest in peace, Rosalie. You will always be a lovingly memory from my childhood. Tonya Finsterwald

A kind and wonderful person, funny and sweet. She made sock monkeys for myself and my brother. she is with the Lord and we will see her again. She taught my brother Richard to say 'Golly-Bum' instead of cussing. Good memories.

She was an awesome Grandma! I'll never forget her. She was one of the best cooks I know. Spending Thanksgiving and Christmas at Grandma and Grandpa's house were some of the best times of my life. I love you Grandma! Go rest high on that mountain!
