I knew her for many years. When I would go into her store we always talked about the Lord. She loved listening to and watching Jimmy Swaggart. I believe she's walking on those streets of gold now. I will miss visiting with her!!!

I met Alisha when She and George bought a building in Memphis to store popcorn tins and such. She was wonderful to visit with. Over the years my kids went by the store on all kinds of occasions and purchased Beanie Babies of all sizes. Very sweet memories with Alicia, George and so many treasures we found at Woodcrafts. Gonna miss that girl.

I went to Stellwagen grade school with her and her sister and brother. We were good friends in our young years. She will be missed by her family, friends, and animals. She was truly wonderful inside and out.
