It's been 2 years and I think it's harder now, I remember you helping me study for a social studies test and uce never aced another test the way I did that one. I miss you so very much. The other day I told mama when I picked paeton up we would go visit someone and you were the first one that popped in my mind. I couldn't say it out loud because I didn't want to upset mama. She misses you so much. I miss your smell, listening to you watch golf, your cooking, hugs, and your hot sauce. I wish you'd been here longer for paeton he absolutely adored his papa. I could go on and on and on but I know one things for sure I can't wait to hear your laugh again. I love you Papa and can't wait until we meet again.

Terry and Jana were neighbors and friends. Though I did not see them often, the friendship remained intact. I knew Terry as a kind, loving and wryly humorous man, who loved his family and cared deeply for his friends. He will be missed but will also be remembered with great fondness by all who knew him.

What a man. I could set at Pete on Georgia St and listen to his golf stories all day. He loved the game of Golf and playing with his Grandson. He was always talking about how much his family was his heart an soil. You will be missed my friend but I know God has a new angel now. RIP
