Jetta and GarySo sorry for your loss. I have many happy memories spent with our parents playing Canasta at each one another's homes, while we as children, ran through the house playing 'cowboys and Indians', playing 'hide 'n seek', laying on the floor while coloring endlessly in our books ! It was a fun time in my life and our friendship with your family was a very important part of it! I know she will be missed, as I have missed my Mother so much these past 3 years. Love you!Cheryl Coates Lauer

Oh, my! I am so sorry! She was such a sweet lady! I remember when she and Lucy Blair and my mother (Helen Nation-Ross) worked together. They had so much fun and laughed so much. Anna always had a great smile. Sweet lady! Sharon Schlegel
