We sure do miss Bussy! Him and I had a little thing between us where when I saw him I would say how are u ya old goat! It was just a special thing between us. It was a great brother in law. It will never be the same sort of around the table on holidays or any other time. But knowing what I know about Heaven he is not in pain anymore. Love and miss u Bussy!

Buster was my step dad for several years. He was a hard working man. We enjoyed being with him at work when he was shoeing horses at the stockyards in Amarillo or being at the house. I never heard him complain or get upset about having 4 extra little girls hanging around. Love you Buster!
