My Dear Sweet Brave Eleanor a bright spot in my life has passed over. Though you will be sorely missed - you will never be forgotten. As we last shared, from your favorite green chair at that beloved round kitchen table of yours an old hymn says it all in relation to the wonderful times we shared - "Precious Memories". How they linger - How they often flood my soul..... Not only were you gifted - being a part of your life and being allowed to call you my Fiend was a gift from God above. Rest in peace my dear lady..
