I was blessed to meet Don and family in 1979 while I was in high school , Don gave me a job working at the shop every day after school sweeping and cleaning the shop. I would always see Don in the shop standing by the heater in the shop and he was always so friendly to me. I always felt that Don played a big role in my work ethic and taught me to be dependable at work and successful in life. I had the privilege and honor to stay close to Don through out the years and he always greeted me with a smile and a hand shake. I will always remember Don and he will always be in my heart and sole. Some day I will see Don again and I know he will greet me with open arms and a smile. Love you Don .John & Mary Obman.
