Kathy was truly a beautiful woman inside and out. I worked with her at Bivins Memorial Nursing Home for 5 years and just loved and respected her as a friend and a nurse. She loved and cared for the residents with the upmost respect and love. May God Bless and keep her family.

There has never been two people more in love and devoted to each other as Uncle Jack and Aunt Kathy to each other and their family. I have many memories to cherish and I'm thankful for each one. Aunt Kathy's honest love and compassion touched everyone who knew her. She had a way of telling you when you were right or wrong about something and still making me feel loved, validated, and understood. Her home and her heart was always open. Her presence here on earth will be deeply missed. While Her reunion with our heavenly Father and loved ones who are there must be truly glorious. We love you and will see you again.

Kathy and I worked together at Bivins Memorial Nrsng Home for many years. We always had such a great time. When Jack was out on the truck we used to go out to eat because neither one of us liked to eat by ourselves! We would always have the best of times like when we tried wine with our dinner at Olive Garden. The server suggested what we should try. Well I was so bitter. Neither one of us could drink it. We didn't want to waste our money so she decided we should put sugar in it to sweeten it up. I helped a little but not much although we were able to finish it. We laughed so hard about that horrible ordeal. Kathy, my friend, you will be missed. Rest in God's grace until we see one another again!
