Don was a great man, he was always willing to help whenever we were broke down and when I was in a bad place. He helped me buy my truck. I will never ever sell it or let it go. It will forever be my one reminder of the great friend that was lost too soon. Rest in Peace sir. Hope you are at peace and happy wherever you are.

Growing up in a time when family visits were common, as cousins we spent lots of time together. What I remember most is how Donnie seemed to always have a smile for everyone. As an adult he would often stop in and visit my mom in Clarendon on his way to or from visits with other family in Lakeview she always looked forward to his visits.
