Life was just better when Janet was around. If you were sad, she made it less sad. If you were having fun, it was even more fun. She could make people laugh, and laugh we did! Janet was such a warm and caring person, and she made me feel cared for, and valuable. I saw her have that same affect on many others. It has been a lot of years since I saw Janet (or most of the family, even), but she (and all of you) has a place in my heart and continues to live there. Pretty amazing since I was only around her for a short time. What an honor to have known her. I am celebrating her life with us and it was a life worth celebrating. Bob Kehr

Janet was always so sweet and kind. She always made sure my mother (LaNora Wood) was alright when she lived in Memphis and asked about her after she moved. I rarely saw her without a smile on her face. She dearly loved her children and was a good mother.

Janet was a sweet schoolmate. Lost touch for many years, but reconnected the last few years. I also had the pleasure of meeting two of her grandsons. Both were sweet boys. Braden was our music and youth director at Temple Baptist Church in Dumas, TX. He left when COVID-19 hit and churches closed. Praying for peace and comfort for the family. Janet was a sweet and wonderful lady and friend and will truly be missed by all. May God bless the family with His love. Jodena Pate Payne
