Joe was in all of my early childhood memories. He was the best brother you could ask for. He teased me and my sister Sybil all the time but he was always the life of any party. He was a real jokester. One special memory of Joe was when we were about 8 me, 10 Sybil, & 12 Joe. We were doing yard work and Joe was missing for a few minutes. When he reappeared he was standing behind an open car door. He had slipped and removed our Mother's slip from the clothes line and was wearing it! Always having fun no matter what we were doing. I will always love and miss you brother! Libby
