Ginger was born on June 2, 1959, in Miami Beach, Florida, to James V. and Annette Demers Joynes. She graduated from North Miami Beach Senior High School in 1977 and attended business college for two years. She majored in secretarial science at Miami Dade Community College in 1981.

She was an IRE Financial executive secretary for several years before she met David Smith Haynes in May 1986 on the USS Norway cruise ship. They were married on November 22, 1986, in Miami, Florida.

From 1987 to 1996, Ginger was an executive secretary for Mesa Inc. in Amarillo, Texas, T. Boone Pickens' company, where she was skilled at typing, editing and other secretarial work. She and David lived in Amarillo from 1987 to 1995.

From 1999 to 2018, she worked at Rick Husband Amarillo International Airport for American Eagle/American Airlines, where she was a supervisor, instructor, ground security coordinator, safety coordinator and customer relations agent, making a daily roundtrip drive between McLean and Amarillo.

Obituary

Ginger Ann Haynes

JUN 2, 1959 - APR 13, 2021

She did leadership training and recurrent instructor and ground security coordinator training at the American Airlines and Envoy training centers at DFW Airport.

Beginning in 1998, she also did transcription, quality control and risk control assessment on behalf of ARNO Risk Control LLC. She loved all her co-workers at Mesa, ARNO and the airline.

David and Ginger's first child, John Ruel, was born in Amarillo on July 27, 1989. Their daughter, Sheri Ann, was born in Amarillo on Nov. 27, 1991. In 1995, the family moved to McLean, where they lived in the house David's grandparents, Ruel and Gladys Smith, had built in 1958.

She had an unforgettable sense of humor and a vibrant personality. She always brought energy into the room, was the life of the party and, if she knew you at all, was sure to give you a big hug.

She and David's first grandchild, Dallas, was born in 2017, and she was Dallas's "Gingy." She loved playing chase, hide-and-seek and other games with him for hours. Their second grandchild, Jenesis, was born in 2020, and Gingy also adored her.

She loved constructing things, building box forts for her kids (also for Dallas) and even built a tree fort from the ground up in the back yard for Sheri and John when they were kids that was 20 feet tall. She loved traveling and seeing the world, funky music, watching "Funniest Home Videos," sunbathing and playing board games with her kids.

She went to every activity her kids participated in and always made sure to video it for safekeeping. On her days off from work, she always took her kids to do something special such as going to the movies, to a play area or swimming. When her kids had sleepovers, she went above and beyond to be sure they and their friends had fun.

Ginger was known for giving generous gifts on birthdays and at Christmas. She shopped all year, and on Christmas Eve, she would put multiple gifts for each extended family member under the tree at the ranch. According to David, she will be greatly missed by Walmart and Amazon. She also always was eager to help in the kitchen for holiday meals.

She was preceded in death by her father in 1970; her mother in 1995; and her brother, Jimmy, in 1995.

I worked with Ginger back in 1985-86, at IRE Financial in Miami. What a delight and dynamo she was. I admired her in the work she did and as a happy uplifting person to have the pleasure to work with. I never forgot her, and never will. I'm sure those she left behind are blessed to have shared life with her.

My first best friend, the person with whom I shared my dreams and sadnesses at 10 years old and for decades to come. The person that never lost touch and was a major character in my memories of the "good old days". The person who never forgot my birthday. The person that had more energy by a factor of ten than anyone else on the planet. Was just wacky enough to be considered unique. But also helpful, kind and sincere. A person that will be missed.

So many great memories of Ginger! We worked together for so long. She was so vibrant, dynamic and upbeat. She loved her family so very much and was extremely proud of John and Sheri. She also loved her airport work family, always thinking of us with little gifts and mementos at holidays and whenever she traveled. I still have a small perfume bottle she brought me from France. She always had a kind word and boundless energy. I'll never forget her, and will love her always. I pray God's blessings for the family at this difficult time.

David, We are shocked and saddened to hear the sad news about Ginger. Although our paths have not crossed in a while, we will always remember the happy times we spent together in Germany and many other trips. Ginger was always such a fun person to be around. We enjoyed getting her cards with the pictures of John and Sherri and all of you every Christmas. We know she was so very proud of her family. She will be missed immensely. Just know that we are thinking of you and keeping you and your family in our prayers now and the days to come. Wishing you peace, comfort and courage in this time of sorrow. Mike & Liz Cook
