You had a wonderful smile that seemed to light up the room when you entered. I definitely inherited your sense of humor. Our lives just went separate directions. But I have always thought about you. May have been miles apart, but our hearts we're in the same place. A high point in my life was meeting Grandpa Hogan. And your brothers and sisters have truly made me feel like one of the family. You rest in peace now. And I'm fine if you want to look in on me once in a while. Love you Dad... Your Son, Mickael L. Earl
