Jesus said unto her, "I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live." - John 11:25

Connie Lynn McMahan was born in Tulia, Texas on February 9th, 1954 to Mary Francis Noland and Jimmie Vanoy Purcell. She was the oldest of ten siblings across blended families.

Connie graduated from Plainview High School in May 1972, where she was a cheerleader, class favorite runner up multiple years, she was social and loved by many. Connie was a devoted wife and dedicated Christian. She led with her love of the Lord.

She was married to her best friend and soulmate Joseph Mathew McMahan on July 3, 1982. She loved her extended family, her 3 children and her stepson and her grandchildren.

When all her children left her home, she filled it with her neighbors, friends and her puppies. Anyone who knew her, knew how much those dogs offered companionship and meaning. She embraced technology, learning Facebook, Instagram, Snapchat and even Tik Tok. She would make and share funny videos with her loved ones to stay connected.

When people speak of Connie, they talk of her amazing food, her kind heart, and her sense of humor. She found her tribe, and she loved them hard and laughed with them too. Life's simple

Connie was one of my best friends. We always laughed when we talked. We did some crazy fun things together. We laughed at our situations. She was a wonderful wife and mother. She will be greatly missed.

One of my favorite memories is of how Connie had accidentally hurt her eye and burned it and she stood up on the word of God and believed even though the doctors said she would never see again or not right that she had called upon various ones to pray and then she called for prayer and we went by and prayed for her just a simple prayer and the next morning the doctor was amazed that her eye was healed but God healed because of her faith and I praise God for that. Also our friendship through the years and all the girls and Joe our heart goes out to .you. whenever we were together I always remember sharing about the Lord and the word of God.
