May God bless Barbara's family and wrap his arms around them especially at this sad time. Barbara was a classmate and enjoyed being around her. We had great times on a school bus going to a basketball or football game. Everyone loved Barbara and her family in Estelline. Mozelle Siegler Gwynne

My fondest memory is sitting in Barbara's kitchen on a cold day and being served a steaming bowl of her delicious potato soup with a wedge of buttery cornbread straight from her oven. What a special lady she was. I know she will be missed. Cheryl

I've known Barbara all of my life, and always "claimed" her as MY cousin too, since she and my half-brothers were real cousins. She was such a beautiful and sweet person that I remember as one of those older girls I always looked up to. I thought so much of the Adams family. Pat Nivens Bell
