John was one of my best Medical Technology Teachers at Baylor University Medical Center in Dallas, TX. His blushing bride, Lori Kidd, was also a MT student in the class ahead of me. We used to always all have so much fun together, laughing at all times! The two of them were always so cute together and so much in love. It breaks my heart that John passed away at such a young age, but I know for sure he lived a good life and loved his family so much. Rest In Peace my sweet friend. Many hugs and prayers for your wonderful family. Love always, Michelle Bulot Sexton
