Sarah was born to William Andrew Goad and Julia May Rowe Goad on March 10, 1939. She married Doyle Earl Pond on August 21, 1958 and they were married for 60 years. Doyle was her other half; there wasn't a day that she didn't miss him after he passed. Sarah may have forgotten a few things as time went on, but she never forgot how much they loved each other and how they loved being together. Sarah was a member of the Wheeler Area Church of Christ. Sarah Loved the Lord and kept her faith until the end.

Sarah worked at the Shamrock Family Care Clinic for 30 years and loved every moment of working with Dr. Blackketter and loving every patient which she considered a friend. She loved seeing her office kids grow up. After her retirement from the clinic, she helped out at Peppers Family Funeral Home/ Robertson Funeral Directors. Once again, she loved being there to help others and loved everyone that walked in the door.

Sarah enjoyed reading, word search puzzles, and watching movies about dogs and/or horses. She loved animals! One of her special friends and companions was her beloved dog, Rosie. Rosie was family and comforted Sarah. She shared Rosie with the other residents at the assisted living. Staff and residents both knew Rosie and how much Sarah loved her. Sarah's absolute source of joy and happiness was being with her family, especially her grandsons. She cherished every moment with

Growing up, I remember Sarah as Dr Blacketter's nurse and I loved her then, she was always very sweet and kind. I later in life worked with her at the clinic and she was a pleasure to work with. I know she will be missed. My heartfelt sympathy to her family.
