We are so sorry for the loss of this great lady. Texie and I grew up together at Gruver, and she was such a good person and great influence. I regret not getting to be around her later in life, but that is life. Our thoughts and prayers are with the family. Thinking of her brings back such good memories of Gruver; Texie's dad worked for my dad for awhile, and what a good guy he was as well. Sincerely, David Murrah, Rockport, TX

Texie was truly an angel on this earth. I have such fond memories of Zach and Texie over the years. I know she was tolerant, she worked at Ward Chevy/Olds dealership for awhile and had to put up with all the shenanigans that group could give her. God Bless her memory and her family. ❤️
