I'm sorry to lose Denzil He used to mow my lawn years ago. He was always selling me an item! A blue barrel he turned into a house for cats. Lawn chairs. A windmill. I was impressed he kept trying to live no matter when he couldnt see. He knew my voice and called me by name. He loved telling me stories of things he experienced. I know I will see him again in heaven. May God's peace comfort you at this difficult time. Madeleine Black
