Mrs. Philley was the highlight of my day at advanced rehab. I got the privilege of taking care of her for a bit before and let me tell you there was never a dull moment with her. I can still hear her sweet voice saying "sure" when I ask her if she's hungry. She will definitely be missed and not a day goes by at work that I'm not reminded of her somehow. She made a huge impact on my life and I loved her dearly. I'm glad she's at peace now.
