I'm so sorry to hear of Fred's passing. I always enjoyed my time in Wheeler and Wellington working with him. Calvin would invite him to lunch after he retired, and it was always good to see him. He was a good friend, coworker and conservationist.

I will always remember the summers in Abilene - working on cars and trucks till they "ran like a spotted ape" as Freddy use to say, going on countless coon hunts and coming home smelling like old hounds. You will be missed uncle Freddy!
