When I was younger I was maintenance man at the Donley County medical center and Peanut would come out for the traditional cigarette break and visit with everybody. Judy and all of us would gang up outside and visit. One morning I come hooking it down the hall and failed to see the wet floor sign as they all were heading out the door. I must have fell 15 times before I finally hit the floor. Peanut leans over me and says HASTE MAKES WASTE !!!! I won't repeat what I said after the air returned into my lungs. But bless God about 20-25 yrs later I ran into peanut working the gate at the recycling center and we talked about that day and how much older I was now and how much I had learned and he simply said. YOU STILL AIN'T SLOWED DOWN A DAMN BIT HAVE YOU RICKY??? LOL love you Henry I'm gonna try harder. I'll see ya soon. God bless the family and may all the memories be sweet.
