I was saddened to see this wonderful man had passed on. Around 1980 James Edward's wonderful parents began farming the Kinslow homestead, acquired in 1912, that my father was born on in 1919. We had many enjoyable visits with the Potts family until we sold them the land around 2000. I was lucky enough to have a great visit with James Edward around 5 years ago when I visited out there, and he gave me a tour of his farming operations and even offered the use of his large dwelling in Hedley for me to stay in while deer hunting. I'm sorry I missed that opportunity. James Lee, may the Lord bless you and keep you and make his face to shine upon you and your family.
