I remember when I was little aunt connia and I used to pop corn, watch scary movies and drink Big Red cause it tasted like bubble gum. Lol. Her and granny Bailey taught me to play the organ, cook, can and crochet. She was always like second mom. She will be greatly missed!

My cousin Connie and I kept in touch before she was unable to do so. She was so caring and funny and had the best laugh. I'm sure her homecoming in heaven is a great celebration. I love you Connie and see you on the other side Cuz!
